

1. "Is This Kansas?" by Eula Biss
2. In "Is This Kansas?" by Eula Biss, she describes how universities create a false sense of safety. She highlights how universities often ignore major issues and sweep them under the rug to maintain a reputation
3. I'm confident that I can point out the danger and inequalities students have to face, like date rapes and DUI's.
4. I'm concerned about how to connect her personal anecdotes to broader themes and having enough material to write 4-5 pages.
